Guidelines for Insight

1. Insight is not a **competition**. Please clarify this to the judges. There can be multiple teams getting the same marks. Results should not be released as ranks.
2. If any student is not physically present for the Insight program, then 10 marks will be deducted from the overall score for the whole team.
3. Technical arrangements to be done by the Forane coordinating team.
4. If there are more teams from each parish, they should be encouraged to put up different types of programs – instead of all teams doing a Videomaking/Skit etc.
5. Total duration of Insight will be about 3 hours. Preferably starting at 2 pm and wrapping up around 5 pm.
6. Arrange a 2/3 Judge Panel – with evaluation sheets. The details of Judges (Name, Qualification, and Parish) to be provided to the Core Team before the finalised date of Insight.
